OFFICE OF STRATEGIC SERVICES

SUBJECT: Your Memo of 8 March 1945 to Chief SI

TO : Mr. Zsolt Aradi

SECRET

1. Lt. Colonel Maddox has received your memorandum of 8 March inquiring as to the status of your request to the National Catholic Welfare Conference News Service.

2. On 10 February Colonel Maddox wrote to our organization in Washington stating the need for re-establishment of your connection with this news service. He also made several suggestions as to how this could be done within security limits. Since this letter was pouched to Washington, and since some time may be required in Washington to arrange the matter discreetly, I do not believe that we should expect a reply for some time yet. Colonel Maddox requested Washington to advise him how they handled this matter and to transmit an answer from you to him. We will let you know as soon as this is received.
